

LYON'S PATH TO HOMEOWNERSHIP

WE'RE YOUR PARTNER EVERY STEP OF THE WAY

William Lyon Homes appreciates how important your homebuying experience is and are here to offer guidance and support during the entire process. As your partner in this purchase, our team is with you every step along the Lyon's Path to homeownership.

1

DISCOVER YOUR PURCHASING POWER

Meet with a loan consultant who will help assess how much you qualify for.

2

PURCHASE & SALES AGREEMENT

Review documents and other important disclosures with your sales counselor.

3

GET TO KNOW YOUR TEAM

Receive weekly updates from your sales and construction team on the progress of your new home.

4

SCHEDULE PRIOR TO CLOSE OF ESCROW

Your New Home Orientation, scheduled 7-10 days prior to closing, lets you review special features, become familiar with operating systems and confirm everything is ready for your arrival.

5

TURN ON THE POWER

Before your New Home Orientation, please change over utilities to ensure these operate under your name the day escrow closes.

6

CONGRATULATIONS & WELCOME HOME

It's been our pleasure to share this partnership. Welcome to the family and to your new home!
